Dear Crafters,

A final decision has been made regarding our annual craft fair and we wanted you all notified in a timely fashion so you could plan accordingly.

The Friends of Charlton Public Library will not be continuing the craft fair. We enjoyed it for several years and, most especially, enjoyed the contacts and connections we made with all our participants. Because of our limited facilities, expansion is not possible. Also our labor force is small and the time commitment large.

You are all talented craftspeople and we wish you continued success in your future endeavors.

Sincerely,

Friends of Charlton Public Library
